

The Lowe's logo is displayed in white, bold, sans-serif capital letters within a dark blue, house-shaped graphic element. The graphic has a pointed top and a wide base, resembling a stylized roof or a shield. The background of the entire slide is white with faint, light gray curved lines and dashed lines.

Modernizing the Protective Mask

Integrating new mask technology to use across every channel and community to enhance communication.

Decrease Communication Errors

Great for PPE

Essential for use in noisy environments

Shows facial expressions

Combat noise-induced hearing difficulties among trade workers with improved methods of visual communication

Environmental Benefits

Reduction of stress or anxiety

Reduction in errors by improving comprehension

Enhanced visual communication

Why take chances?

Use The Communicator when mask protection is needed.

F2100 ASTM Level 1 has these benefits:

- $\geq 95\%$ Bacterial Filtration Efficiency
- $\geq 95\%$ Particle Filtration Efficiency
- ≤ 4 mmH₂O/cm² Differential Pressure
- Resistance to Synthetic Blood Penetration at 80 mmHg
- Flammability Class 11

The Choice is CLEAR

Protect yourself and NOT cut
off Communication
Comfortable to wear
Does not fog
Protects against dust and
allergens
Affordable
So good that surgeons use
this mask in the OR!
